How you can benefit?

We provide a full range of professional services to ensure your compliance in Cyprus at all times. Below a snapshot on how we can assist:

Cyprus Company Incorporation

A Cyprus entity is what you need to take advantage of the beneficial tax regime and location of Cyprus.

We make this otherwise daunting task easy for you and can swiftly assist with all types of **company registration in Cyprus and opening of bank accounts**.

With a full range of supporting corporate services, we can help you easily manage your company during your operation.

Fiduciary Services

We provide individual Directors with minimum number of appointments and who will strengthen the case of tax residency of the Company in Cyprus.

We also provide registered office address and corporate secretary services as required in Cyprus.

Corporate Compliance

We will provide full corporate support, including processing any changes in the corporate documents of the Company, preparing resolutions and power of attorneys, make the necessary filings with the Registrar of Companies and ensure compliance with existing laws and regulations.

Tax & Accounting

A huge amount of companies resources is spent each year for accounting, reporting and tax compliance functions. We can alleviate the time consuming and costly burden by providing you cost effective accounting & tax services. We can also advise with any tax planning and tax advise as required.

Substance solutions

Our team will provide a wide range of tailor-made substance solutions to assist you to establish business presence in Cyprus, setting up Cypriot structures and achieve economic substance. We can assist with finding you premises, hiring personnel, opening of bank accounts, and in general ensure that your structure is fully compliant in Cyprus at all times.
